

Let's learn about:

PEACHES

➤ **In your region, peaches grow best in the summer.**

➤ **Peaches and nectarines are the same fruit, but peaches have fuzzy skin and nectarines don't!**

➤ **A peach tree can produce up to 66 pounds of fruit.**

➤ **Peaches are a good source of vitamin E, vitamin K and B vitamins.**

➤ **Peaches are a member of the rose and almond family.**
