

TOUR OUR 2023-2024 SCHOOL YEAR TOTALLY TASTY EVENTS!

Introduction

Totally Tasty events are a fun and interactive way for students to taste test fresh, healthy and (when available) local food items.

The events are designed to be adaptable to each school district we partner with. School districts choose the item, how the item is served and how the students vote. Our goal is to make these events flexible to work in any school district. We partner with schools to understand what works best for them and facilitate the events to best fit the individual needs of the school district.

This report will take you through a tour of the Totally Tasty events that we hosted during the 2023-2024 school year.

Summary

During the 2023-2024 school year, Feed Our Future partnered with 10 school districts. We have had so much fun getting Totally Tasty in schools around Northeast Ohio!
