TotallyTasty℠

2025-2026 School Year

Ready, Set, Taste!

How do you get students excited about fresh, healthy local foods at school? Why you host a TotallyTasty℠ event of course!

TotallyTasty℠ events, powered by Feed Our Future®, are fun and interactive experiences for students to learn about fresh, healthy, local food items.

Our team partners with child nutrition programs to transform food education into an interactive adventure. Each event is customized around a featured food, with hands-on learning activities to boost student engagement and knowledge of where their food comes from.

Join us on a tour of the Totally Tasty℠ events from the 2025-2026 school year. Thanks to our amazing school partners who help students explore healthy food choices through interactive nutrition education.

Thank You for a TotallyTasty Year℠

Thanks for joining us on a tour of our TotallyTasty℠ events!

We want to give a HUGE shout out and heart felt thank you to the food service directors who partnered with us to create fun, engaging experiences that got students excited to talk about new foods at school. Your creativity, commitment, and enthusiasm made every event memorable.

Thank you also to the Ohio Department of Education and Workforce for sending Munch the Fox to join the fun.

Ready to bring the excitement to your school next year? Visit www.feedourfuture.org to schedule your kick-off meeting and join the TotallyTasty℠ fun.
